Re: Docket-No. E-00000XX-13-0214

Dear Chairman and Commissioners,

My name is Kevin Dahl and I am a customer of Tucson Electric Power. I have been a resident of Arizona since 1967.

Arizona's Energy Efficiency Standards and Arizona's Energy Efficiency Rules are important to me as they not only work to lower utility bills for my neighbors and me, making Arizona an affordable place to live and work, but they are also the easiest and most efficient way to reduce pollution caused by energy production in our state.

Please do the right thing for Arizona, for both our economy and our economy. I respectfully urge you to continue to support the Energy Efficiency Standards adopted in 2010.

Thank you.

Sincerely,

*Kevin Dahl*
